*3.04 times as likely to report incidents of hate violence to the police as compared to non-gay survivors and victims

*1.56 times as likely to require medical attention as compared to non-gay male survivors and victims

*National Coalition of Anti-Violence Programs, 2013 release edition

Mission Statement:

To educate, support, and empower Native communities to increase awareness, safety, healing, justice, and resources for the LGBTQ community.

Purpose: *To advise and guide the staff and Council of Women on training and technical assistance (T/TA) approaches, data inclusion, resource development/funding opportunities, policy development and tribal and on-site trainings with activities that come directly from the voices and presence of the LGBTQ community.*

Training and Technical Assistance: *Services are tailored to meet the needs of those requesting training and/or technical assistance. The following are a list of specific topics presented by professionals who identify as members of the LGBTQ community.*

- Sexual Violence Against Men and Boys, the Impact
- The Forgotten Population: The Mental Health Issues of that impacts the Two-Spirit/Native LGBTQ Individuals and Community
- LGBT Community Engagement
- Using Art to Heal: Surviving Rape and Abuse
- HIV, LBGT, and Domestic Violence: A Triple Threat
- Broadening Our Perspective to Include American Indian LGBT Community –
- Embracing the Two Spirit Elders Against Violence
- Transgender 101: To Know, Understand, and Advocate
- LGBTQ/Bullying
